All suits are Lycra material in our Orange Peel Spider Web design (Orange suit with black spider webs)

The first two suits listed are male suits (brief and jammer)

Brief is a traditional "speedo" suit. It is fully front and back lined. Sizes run from 20-42

Jammer looks like bicycle shorts. Form fitting from the waist to just above the knee. It is crotch lined only. Sizes run from 20-44

The last two suits listed are female suits (Thin Straps and Sprintback)

Thinstraps is a higher cut competition suit (smaller hips) with thin straps on the shoulders (helps prevent chafing). It is fully front and back lined. Sizes run from 20-38.

Sprintback is a suit for fuller figures (fuller in the hips). It offers more support in the chest and fits swimmers with hour glass figures better than the Thinstraps suit. It is the only suit for girls sized 40-46; however, smaller sized girls with fuller figures may opt for this suit. Sizes run from 20-46.
